FATHER CONWAY'S WILL.

An Estate Valued at $15,000 Divided Between a Niece and Charitable Institutions.

Vicar General Conway's will was admitted to probate yesterday by Judge Gary, and letters testamentary were issued to Coadjutor Commissioner Thomas Brennan in bond of $15,000. Father Conway left an estate valued at $15,000. It comprises $9,000 personal property, $4,000 worth of realty, and $2,000 in insurance. He willed over his personal property and realty to his niece, Nora Conway, after several bequests shall have been made by Mr. Brennan, who is named as executor. The bequests are: $5,000 each to Sister Julia of St. Vincent Infant asylum, the House of the Good Shepherd, St. Joseph's Orphans asylum on Thirty-fifth street, the Clergy Fund Association of the Archdiocese of Chicago, and Sister Cyphas of St. Joseph's hospital; $50 each to the officers of the conference of the Holy Name parish of St. Vincent de Paul society, to be spent upon the poor; the officers of Ephata society, to be given to deaf and dumb persons; Rev. C. Fournier, the Little Sisters of the Poor, Mercy hospital, and St. Paul's Newsboys' home. The will was executed June 22 and the witnesses were Rev. Michael J. Ryan, Bishop of Hi Superior street and Atty. E. F. Dunne. In a codicil executed June 25 Father Conway left his library to Archbishop Feehan in trust for the clergy of the parochial house. Charles O'Brien, James Hurley, and George Scott were appointed by the court to appropriate the estate.

MRS. DART'S TRIPLETS.
President Cleveland's Prize for the three best babies at the Assem. Fair, in 1887, was given to these triplets, Mollie, Ida, and Ray, children of Mrs. A. S. Dart, Hamburgh, N. Y. She writes: "Last August the little ones became very sick, and as I could get no other food that would agree with them, I commenced the use of Lactated Food. It helped them immediately, and they were soon as well as ever, and I consider it very largely due to the Food, that they are now so well."
Colonel photo. of these triplets sent free to the mother of any baby born this year.
