Eighty Cents a Week for Laboring from 7:: in the Morning Until 5:30 in the

I did not realize the ignominious position of respectable poverty till I went to Elling-er's cloak factory, 282 Madison street, where labor is bondage, the laborer a slave, and fiesh and blood cheaper than needles and thread. Corporations are said to be without thread. Corporations are said to be without heart, but this concern is a commercial heart, but this concern is a commercial registries. It puts its help on the plane of slavery and testing but civil law prevents the use of the law of the hird floor of the large brick busing at the cast end of Madison street bridge on the nouth side of the street.
